DeLever Cinema

See the DeLever DVDs at the DeLever Cinema.

The DeLever Cinema gives you the opportunity to get involved in some great networking and see DeLever DVDs without having to make the initial outlay to purchase them. It is also a very cost effective way of gaining 2 hours of useful CPD.

The DeLever Cinema runs along side the APC Seminars. See www.delever.com for the latest venues and showing times. Currently showing in the DeLever Cinema:

"As a recent APC candidate I am delighted that I took advantage of the DeLever Cinema to help plan for and de-mistify the APC process. I found the DVD's on offer to be informative and relevant, as well as great learning and revision aids for the APC Final Assessment. I am convinced they were instrumental in my recent success in qualifying as a Chartered Surveyor.

I would thoroughly recommend both DVD's as 'essential' viewing for all APC candidates no matter what stage you are at in your preparations. What makes them especially accessible is the DeLever Cinema format - that is, the opportunity to watch the programmes in an organised setting alongside relevant De Lever seminars or training programmes."
